

APPLICATION FORM:

NSF REU in Extremal
Graph Theory and
Dynamical Systems

Please email applications
to: dansma@rit.edu
Subject: REU Application

Send all materials to:

NSF-REU Program, School of Mathematical Sciences
85 Lomb Memorial Drive, Rochester Institute of Technology
Rochester, NY 14623

For complete consideration, all materials must be **received** by March 6, 2009

Applicant Information

Last Name:		First Name:	
Email address:			
Phone number (Where you will be shortly after 3/7/09):			
Mailing Address:			
City:		State:	Zip Code:
Current College or University:			
GPA:		Major:	
Academic Year (circle one): 1 2 3 4 5			
Gender (circle one): Male Female			
Citizenship (circle one) U.S. other			
Ethnicity (optional):			
Program track preference: Rank from 1 (highest) to 3 (lowest): <input type="checkbox"/> Graph Theory <input type="checkbox"/> Dynamical Systems <input type="checkbox"/> Topological Data Analysis of Satellite Images			
Programming languages known:			
From 1-10 (low=1, high=10) rate your interest in attending graduate school in mathematics: _____			

A complete application includes:

1. Completed application form (this page)
2. Academic transcript (unofficial is okay)
3. A list of the mathematics courses you have taken, along with the textbook used.
4. A brief personal statement (at most one page) describing your background in mathematics and why you want to attend the RIT REU.
5. Arrange for two professors to send letters of recommendation directly to Professor Darren Narayan at the mailing address or at dansma@rit.edu.

Eligibility. Participants must be US citizens or permanent residents, and must be an undergraduate (not having received a bachelor's degree) in Fall 2009.
