This is a draft of a history of the Seaway Section from its beginning in 1940. It includes the narratives written by Norman Gunderson (1940-1965) and Paul Schaefer (1965-1990) as well as a draft of a narrative for the period 1990 to the Present. The narratives are followed by lists of meetings, speakers, officers, etc. as given in the table of contents. Please review any parts of this document that you are interested in to correct mistakes or to make additions. I would particularly like feedback on the 1990-present portion of the narrative. Send feedback to Gary Towsley at towsleyg@geneseo.edu.
